**Safety Precautions**

- **INSTRUCTIONS TO BE FOLLOWED AT ALL TIMES**

- **WARNING**

- **CAUTION**

- **Important instructions that should be followed are classified with the following symbol.**

- **Warning (caution) symbol followed by instructions that should be followed are classified with the symbol.**

- **Observing the instructions given in the correct way will only effect the watch to work or the risk is, and to be answered in water.**

- **Specifications**

- **Water Resistant**

- **Pleasing Precautions Items and Usage Limitations**

- **Slight water resistance**

- **Water resistances**

- **Water resistant**

- **Water resistant water resistant water resistant water resistant water resistant water resistant water resistant water resistant water resistant water resistant water resistant water resistant
